## Descrizione

Are you looking for a chandelier to give your living room a unique touch? Would you like a minimalist pendant lamp for your home with a modern style?

We have created this design lamp just for people like you who want something unique to illuminate their interiors!

**P-Light is the new contemporary design E14 lamp holder system with hidden cable clamp, designed by Guido Parezan exclusively for Creative-Cables.** Its rounded shape is designed to reflect the profile of the T30 bulb and **create a symmetrical, elegant and impressive drop**. The matt finish of this lamp holder will make your pendant lamp with textile cable even more sophisticated.

This chandelier is ready to be installed by expert hands and can be purchased already **complete with bulb**: we have chosen for you the E14 tubular white satin white LED bulb, but alternatively you can have a look at our assortment of designer LED bulbs to find the one that best suits your style.

*Each Creative-Cables lamp is designed, and assembled in Italy and is tested and CE certified by independent*

*laboratories according to the strictest regulations in force: one more reason for choosing Creative-Cables quality.*

**PLEASE NOTE:** Some of the images shown are examples of multiple pendant configurations that can be created by purchasing multiple suspensions. The item for sale is a lighting installation with only ONE pendant.
