Descrizione

A colourful pendant lamp for all those who want to give new light to their outdoor spaces!

Are you looking for a solution to light your balcony? Or would you like an outdoor lamp for your garden? With EIVA suspension lamps you can finally change the look of your outdoor spaces with the safety of a Made in Italy and completely water resistant product.

This single pendant lamp is made with the EIVA lamp holder and ceiling rose: high quality components with IP65 protection degree, water and rain resistant, entirely designed and patented by Creative-Cables.

The soft touch silicone finishes and matching cable are perfect to re-create a colorful and contemporary design in your outdoor spaces, lighting pergolas, gazebos and outdoor tables: choose the version that best suits your style!

This chandelier is ready to be installed and you can buy it already complete with bulb: we have chosen for you a G125 LED bulb with transparent, golden or emerald glass depending on the selected finish, or you can choose to complete your lamp with one of more than 200 LED bulbs available in our assortment.

WARNING: The EIVA lamp holder is designed for glass LED light bulbs only and has been tested as compatible with the A60, ST64, G95 and G125 bulb shapes that guarantee rating of IP65 protection. The compatibility range is being extended and is currently being tested.

Each Creative-Cables lamp is designed, and assembled in Italy and is tested and CE certified by independent laboratories according to the strictest regulations in force: one more reason for choosing Creative-Cables quality.
