EIVA Outdoor pendant lamp for lampshade with 5 mt textile cable, decentralizer, silicone ceiling rose and lamp holder IP65

Finish: White

Descrizione

A minimalist pendant lamp perfect for those who are looking for a solution to illuminate their balcony or renew the lighting of their garden.

With EIVA suspension lamps you can finally change the look of your outdoor spaces with the safety of a Made in Italy product and completely water resistant.

This single pendant lamp for lampshades is made with the lamp holder and ceiling rose of the EIVA line: high quality components with IP65 protection degree, water and rain resistant, entirely designed and patented by Creative-Cables. The soft touch silicone finishes and matching cable are perfect to re-create an elegant design in your outdoor spaces, lighting pergolas, gazebos and large outdoor tables: choose the version that best suits your style and add your lampshade! The ceiling rose can be installed on the wall or ceiling, allowing you to take advantage of the existing connections of your system, while thanks to the decentralizer you can decide where to suspend the fall and illuminate exactly where you need it.

This chandelier is ready to be installed and is compatible with any decorative or design LED bulb in our assortment.

WARNING: The EIVA lamp holder is designed for glass LED light bulbs only and has been tested as compatible with the A60, ST64, G95 and G125 bulb shapes that guarantee rating of IP65 protection. The compatibility range is being extended and is currently being tested.

Each Creative-Cables lamp is designed, and assembled in Italy and is tested and CE certified by independent laboratories according to the strictest regulations in force: one more reason for choosing Creative-Cables quality.
